

Become part of RAMUS

RAMUS is offering a limited number of Studio Memberships to people who want to work in an interdisciplinary environment and develop their own projects.

RAMUS is an independent research and project space in Berlin, operating at the intersection of **art, anatomy, material research and digital fabrication**.

We welcome applications from:

- Artists
- Designers
- Architects
- Researchers
- Medical professionals & veterinarians
- Material researchers
- Creative technologists
- Makers & developers

The Membership includes

- ✓ **24/7 access to the RAMUS space** for focused work, research and project development (keypad access)
- ✓ **The opportunity to develop and host workshops at RAMUS**
- ✓ **The opportunity to contribute projects or exhibitions to the annual programme (curated selection)**
- ✓ **Participation in internal presentations, exchange formats and an interdisciplinary network**

✓ WiFi and utilities included

The digital fabrication workshop and 3D printing facilities are **not included in the regular membership**, but can be accessed for specific projects by individual agreement.

The initial membership period runs from **October – December 2026** and can be extended quarterly upon agreement.

Who we are looking for

We are looking for people interested in the intersections of **art, science, medicine and technology**, who want to further develop their practice within an interdisciplinary environment.

A limited number of **4–5 memberships** will be offered and renewed on a quarterly basis. This allows RAMUS to continuously introduce new perspectives, collaborations and networks into the programme, creating an evolving community with changing impulses and long-term connections.

RAMUS is not a conventional coworking space.

It is a curated working and project environment focused on **research, development and public programming**.

Berlin-Schöneberg / Bayerischer Platz

Membership: 290 € / Monat

If you are interested, we would be happy to receive a brief introduction, information about your work, your CV, the application form, as well as a portfolio or your website/Instagram. Maximum file size: 3 MB.

Deadline: 10. 9. 2026
