Preferred
Month (1st
Choice)

Preferred
Month (2st
Choice)

Total Number of
Project Days:

Number of
Participants:

Please note that the annual programme is carefully curated to ensure a balanced and diverse schedule. While we will consider your preferred months during the planning process, they cannot be guaranteed. Depending on the nature of the project and our available capacity, exhibitions are typically presented over 3-4 days, while workshops may be scheduled across several weeks. Final dates and formats will be determined in consultation with the selected participants.

Short Project Description:

What do you need:

☐

I agree that my project description and images may be used in funding applications for the 2027 Annual Project of RAMUS if my project is selected.

(Providing this consent is a prerequisite for participation in the 2027 Annual Project.)
